PROJECT DESCRIPTION
Describe the grant project, including its potential benefits to yourself and/or to the Rappahannock community and how you will measure success. You may attach additional pages as needed.

TOTAL PROJECT BUDGET
Provide itemized costs. If your proposal contains discreet stand-alone projects, each must have its own budget. We may only be able to give partial funding, so please be sure to prioritize the elements of your project.

AMOUNT REQUESTED FROM MITCHELL ARTS FUND

OTHER SOURCES OF FUNDING
Include estimated income that may be generated by the project, other funding being sought (or already committed) for this project, and any in-kind contributions.

PROJECT TIMETABLE
Estimated start and completion dates.

Specify whether your project involves public gatherings (classes, workshops, events, and the like). We hope that Covid will be a thing of the past by the time you present your work, but just in case — if your work involves a public gathering (classes, workshops, events, etc), RAAC will follow Virginia guidelines for Covid. If those guidelines are ambiguous at the time of your event, you'll need to discuss how to proceed with your liaison.

SUPPORTING MATERIALS

Artists – please attach at least 3 work samples, your artist statement, resume/cv.

Organizations – please attach your mission statement, annual budget and any other supporting materials.

List any individual(s) or organization(s) or venues who will be involved in your project. Provide their contact information, a short bio with relevant credentials.
You must include letters of support and commitment from all involved.
